Customized machines and equipment

# | Sonderhoff Equipment Solutions

## The Reference Class: SONDERHOFF DM 402 / 403 / 404 / CC

### SONDERHOFF DM 402 / 403 / 404 / CC

- High-performance mixing and dosing system for 2 - 4 components
- Optimized for Sonderhoff 2C PU or Silicone foam sealing technology (FIPFG)
- Precise dosing of adhesive and gaskets from Loctite & Teroson portfolio (2 component PU, Silicone or SMP)

# | Sonderhoff Equipment Solutions

## The Compact Class: SONDERHOFF SMART-M and SMART-L

### SONDERHOFF SMART-L

- Low-pressure mixing and dosing cells for 2-3 components
- Optional: with a lift-door and conveyor belt

### SONDERHOFF SMART-M

- Low-pressure mixing and dosing cells for 2 components
- Optional: with automatic rotary indexing table or conveyor belt

# | Sonderhoff Equipment Solutions

## The Economy Class: SONDERHOFF 3E

### SONDERHOFF 3E

- Low-pressure mixing and dosing system in cell design for 2 components
- Optional: with shuttle table

# | Sonderhoff Equipment Solutions

## The Economy Class: SONDERHOFF DM 70 COMPACT

### SONDERHOFF DM 70 COMPACT

- Low-pressure mixing and dosing machine
- processing one or two components
- manual operation for sealing, bonding and potting
